I have read and understand the CTA Boat Policy and agree to maintain liability insurance on my boat continuously throughout the boating season while I have been assigned a slip (May-Nov). I also agree to take care when using my boat and promptly report any damage caused by me/my boat to CTA property or other boats on CTA property to the Dock Committee Chair and CTA Secretary. I acknowledge that should I be declared a member not in good standing under the CTA by-laws, declaration and/or rules, I may forfeit my slip and may be required to remove my boat from CTA docks (without refund).
